“HOME LANDSCAPES” 1933

The Park Nurseries

HOLM & OLSON, INC.
Saint Paul, Minnesota

You Buy Here with Confidence

PEOPLE visit and purchase at our **Park Nurseries** because they find full value here. We offer you plants and merchandise of selected, dependable quality and a responsible gardening and horticultural service. The advice and assistance of men experienced in landscape and planting work is always available to help you to any extent you desire.

We solicit your orders knowing that we can assure you of entire satisfaction. Truly—you buy here with confidence.

WHEN TO ORDER. When you send your order early we can serve you by making first selections and reserving the plants. Your order will be delivered at just the right time for planting.

HOW TO ORDER. Send in your order by whatever means is most convenient. It will receive prompt and careful attention.

GIVE SHIPPING INSTRUCTIONS. Tell us how you want shipments made—whether by Freight, Parcel Post (suitable only for small packages) or Express and indicate any special routing. We recommend Express excepting on heavy, bulky shipments. When not instructed we use our best judgment.

NO PACKING CHARGE. Catalog prices are based on stock F. O. B. St. Paul and no charge is made for packing. Twin City deliveries are made free of charge.

TERMS. Cash with order is expected. If credit is to be arranged please furnish the usual business references. All accounts are due by the 10th of the month following date of purchase.

SATISFACTION ASSURED. You are assured that you will receive the best quality of live, healthy plants that have been properly packed to reach you safely. Should any plant prove untrue to variety ordered it will be resupplied without charge.

You are asked to report any error or complaint of any nature promptly for immediate adjustment. No effort will be spared to make our service and our plants satisfactory to you in every way.

PLANTING INSTRUCTIONS. Careful directions for planting and culture are sent with your order. You are further invited to consult with us freely for dependable information about any of your gardening and landscape problems.

Your correspondence is always welcome.

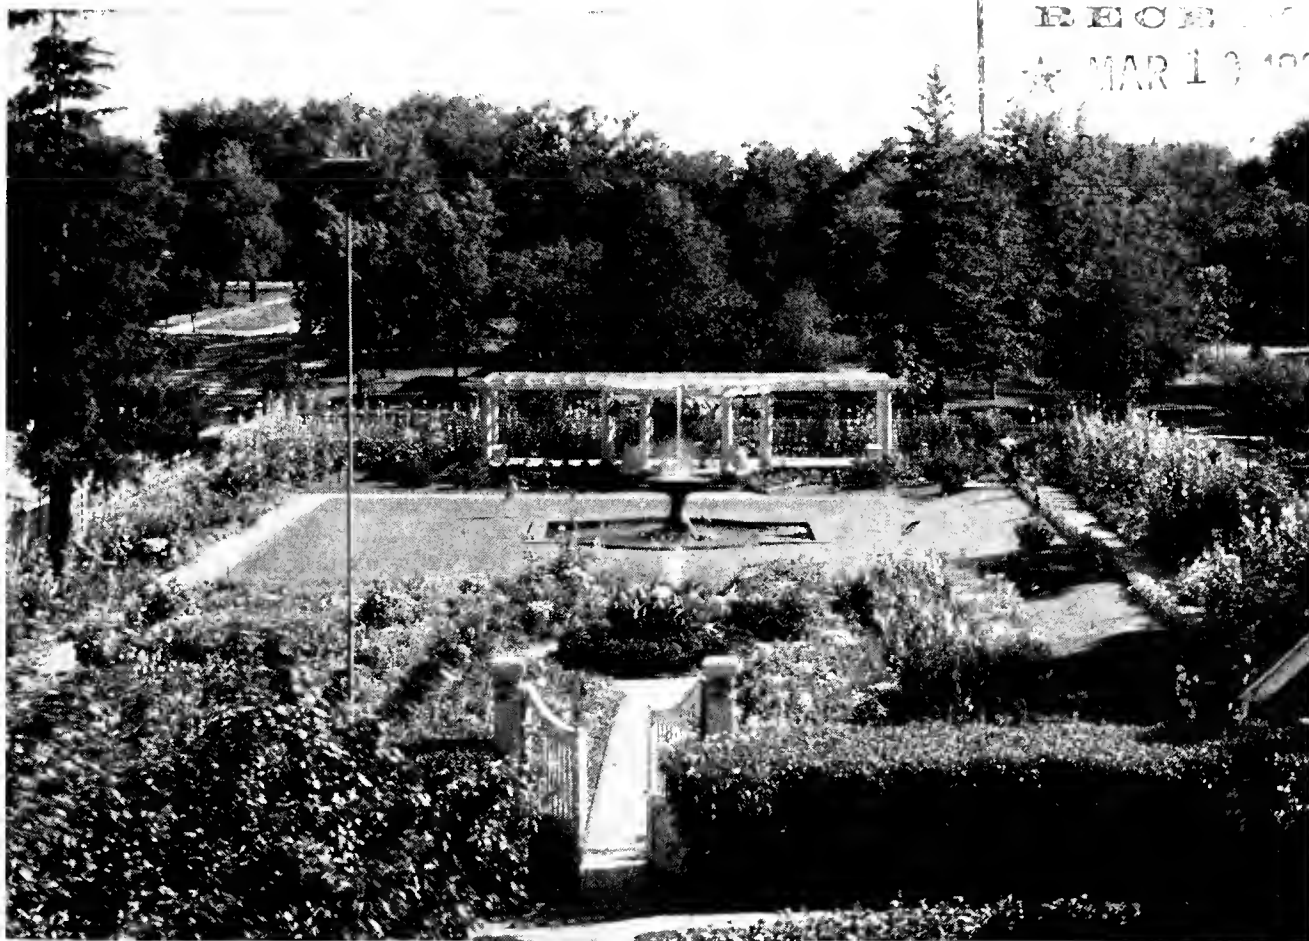

VISIT THE NEW ROCK GARDEN

The lily pool, cascade and rock garden are new additions to the interesting displays at the Park Nursery at 1200 St. Clair St. (just beyond Lexington and St. Clair) in St. Paul. Beginning with a gorgeous display of spring flowers there follow attractions to delight you all through the season.

You are cordially welcome;—come often and bring your friends.

"HOME LANDSCAPES"

Dedicated to Home Owners and Garden
Lovers of the North Central States

*A glimpse through the "pearly gates" into Mr. Phil. J. Noonan's "Little Bit O' Heaven,"
a residence property of beauty and distinction at Alexandria, Minn.*

THIS catalog comes to you in the 38th year of our business life. During that period our activities as Horticulturists and Landscape Designers have reached into every corner of this great northwest.

That we have been able to assist so many thousands of home owners in the improvement and beautification of their surroundings to the end that their daily lives are made more comfortable and enjoyable is our greatest satisfaction and reward.

Extension Landscape Office and Nursery at Rochester, Minnesota

Your Landscaping is Made Easy

With a carefully prepared plan to follow you are certain of getting the very most in attractiveness and usefulness from your grounds.

Our Experts Will Help You

You can have a definite plan for your own gardening improvements whether your property is large or small. This practical landscape service is available to all our customers. Ask us for suggestions.

A landscape plan will show you just what and where to plant.

Make Full Use of Our Helpful Gardening Service

Our organization is always ready to ably assist you with:

- Careful Plans and Cost Estimates.** You know just what the cost will be before you start.
- Choice Plants of Dependable Quality.** The selected, carefully-grown, hardy stock from our own Park Nurseries is sure to please you.
- Skilled Gardeners.** These experienced workmen directed by a competent foreman, produce results for you quickly and economically. You are certain that everything has been properly done.
- Gardening Maintenance.** This service is available to help you with gardening upkeep—such as tree repair and trimming; shrub and hedge pruning; fertilizing; spraying and all seasonal needs.

You can have just such a corner as this in your yard.

OUR PRACTICAL PLAN-BY-MAIL SERVICE

Our out-of-town customers can enjoy the full advantage of our designer's suggestions.

Send us a sketch and measurements of your grounds. We will outline ways of beautifying and improving the property to get the most satisfying results.

Water gardening brings new pleasures.
(Photo taken just 30 days after construction.)

Make Your Yard More Enjoyable

There are happy days of satisfying and healthful pleasures ahead for you this season if your home yard is made attractive and inviting for use.

You will be surprised to find how very little it costs to develop the opportunities that your yard offers for enjoyment and recreation. Consult with us freely for estimates.

This Year, Why Not An Outdoor Living Room?

It is a practical and worth-while accomplishment to so arrange and "fix up" the yard that the family desires to spend their time there. Your yard can be made so inviting that it truly becomes an "Outdoor Living Room." We will gladly tell you just how to go about it.

Ask for our free booklet—"Making the Outdoor Living Room."

Modern Gardening

You would surely enjoy some of the newer gardening features, such as a rock garden, lily pool, hardy flower border, colorful evergreens and ever-blooming roses. Let us help you find just the right locations for some of these delightful, new features in your grounds. Consult with us.

Use Our Budget Plan

The actual planting season is short. It should be used fully if you are to have plantings to enjoy this summer.

To help you establish your garden complete we offer a deferred payment, budget plan. Ask us about this convenient way to "pay as you enjoy."

You, too, can have a rock garden.

With suitable plantings your yard can be just as inviting as this one. Our landscape designers will help you. Your inquiries are invited.

Shrubs for Flower and Foliage

Sturdy Plants for Northern Gardens

SHRUBS are very important to the landscape beauty of the home grounds. A large area of our nursery and the skill of experienced gardeners is devoted to developing our shrubs into sturdy, handsome plants that will quickly bring beauty to your home property.

There are so many types of shrubs—so many variations as to character of growth and flowering habit—that you are sure to find many attractive kinds to fill any need you may have. Ask us freely for advice and suggestions as to arranging the plants in the most pleasing way.

NOTE: The figures following the shrub name show the approximate height of growth.

The Lilacs bring both fragrance and beauty to the garden

Cheerful Evergreens

For All Year Around Beauty

American Arborvitae

FOR groups on the lawn, as a background to the garden or in plantings by the doorway and around the house foundation the Evergreens will delight you in all seasons with their cheerful green color. Ask our designers to suggest pleasing and suitable ways for you to use some of these beautiful ornamental plants on your grounds.

At the Park Nurseries the Evergreens are given particular attention to develop their full beauty of symmetrical, shapely growth. Whether you select young plants or mature, stately specimens these choice trees will surely please you.

Full planting directions are always given.

NOTE: The figures following the name show the approximate height of growth.

ARBORVITAE—Thuya

American Arborvitae (*Thuya occidentalis*). 20 ft. A native evergreen with soft, lacy, fan-shaped foliage. The tree is bushy at the bottom and tapers toward the top. Stands trimming well.

18 to 24 in.....\$1.50	2 to 3 ft.....\$ 2.50	Each
3 to 4 ft..... 4.00	4 to 5 ft..... 5.50	
5 to 6 ft..... 8.50	6 to 7 ft.....13.00	
7 to 8 ft.....17.50	

Larger Am. Arborvitae priced on request.

Globe Arborvitae (*Thuya occidentalis globosa*). 4 ft. A dwarf, compact little evergreen that grows naturally into a ball-like form. Well suited for borders, foundation plantings, tubs and urns.

12 to 18 in. spread.....\$2.50
18 to 24 in. spread..... 4.00
24 to 30 in. spread..... 5.00
30 to 36 in. spread..... 7.00

Pyramidal Arborvitae (*Thuya occidentalis pyramidalis*). 18 ft. An attractive, solid pyramid of soft, green that retains its outline without shearing.

18 to 24 in.....\$ 2.50	2 to 2½ ft.....\$ 3.00
2½ to 3 ft..... 4.00	3 to 3½ ft..... 5.25
3½ to 4 ft..... 6.25	4 to 5 ft..... 9.00
5 to 6 ft.....13.00	6 to 7 ft.....18.00

Siberian Arborvitae (*Thuya wareana siberica*). 8 ft. A symmetrical, compact evergreen of conical outline with broad base. Rich green leaves. Very useful in foundation plantings.

18 to 24 in.....\$3.00	2 to 2½ ft.....\$4.00
2½ to 3 ft..... 6.00	3 to 3½ ft..... 7.50

Larger specimen trees priced on request.

CEDARS—JUNIPERS

Pfitzer's Juniper (*Juniperus pfitzeriana*). 8 ft. A graceful, bushy evergreen suited to foreground plantings. Foliage greenish blue. Branches spreading and drooping.

12 to 18 in.....\$2.50	18 to 24 in.....\$ 4.50	Each
2 to 3 ft..... 6.50	3 to 4 ft.....10.00	
4 to 5 ft.....18.00	

Prostrate Juniper (*Juniperus canadensis depressa*). A dwarf, much-branched evergreen shrub that grows closely to the ground. Excellent in the rock garden.

12 to 18 in. spread.....\$2.75
18 to 24 in. spread..... 3.75
24 to 30 in. spread..... 5.50

Red Cedar (*Juniperus virginiana*). 30 ft. Useful wherever a pyramid of rich green is wanted. Probably the most useful of all evergreens because of its beauty, hardiness and adaptability.

2 to 3 ft.....\$3.00	3 to 4 ft.....\$5.50
4 to 5 ft..... 7.50	5 to 6 ft.....11.00
6 to 7 ft.....13.50	7 to 8 ft.....18.50
8 to 9 ft.....25.00

Larger Red Cedars priced on request.

2½ to 3 in. diam.....			9.00

HACKBERRY (*Celtis occidentalis*). 50 ft. The foliage somewhat resembles the Elm. Wide spreading tops giving good shade. Very hardy.

6 to 8 ft.....	\$1.50	8 to 10 ft.....	\$2.25
10 to 12 ft.....	3.00	2 to 2½ in. diam.....	5.00

HORSECHESTNUT (*Buckeye*). (*Aesculus hippocastanum*). 40 ft. Five-fingered leaves. Covered in May with white flowers that stand up like candles. A most unusual and desirable lawn tree.

6 to 8 ft.....	\$3.50	1½ to 2 in. diam.....	\$5.00
2 to 2½ in. diam.....			7.00

LINDEN—BASSWOOD

LINDEN, American (*Basswood*). (*Tilia americana*). 70 ft. Broad, heart-shaped leaves; fragrant white flowers. Quite hardy, native, fine for lawn or street planting.

6 to 8 ft.....	\$1.50	8 to 10 ft.....	\$2.00
10 to 12 ft.....	3.25	2 to 2½ ft. in diam.	5.00
2½ to 3 in. diam.....			8.00

Larger size Lindens priced on request.

PLUM, Purple Leaf. 10 ft. Dark purple leaves all summer. Attractive lawn specimen, or to give color to shrub groups.

3 to 4 ft.....	\$0.75	4 to 5 ft.....	\$1.25
5 to 6 ft.....			1.50

MAPLES

MAPLE, Norway (*Acer platanoides*). 50 ft. Handsome tree; rounded head; broad, dark green leaves. The leaves stay green late in the fall turning yellow at last. A splendid lawn tree.

6 to 8 ft.....	\$2.50	8 to 10 ft.....	\$3.25
10 to 12 ft., 1½ to 2 in. diam.....			4.50
2 to 2½ in. diam.	8.00	2½ to 3 in. diam.	10.00

Larger Norway Maples priced on request.

Maple, Purple Leaf (*Acer platanoides* Schwedler). Leaves are bright reddish-purple in spring toning to a deep purplish-green later. Highly prized for lawn planting.

6 to 8 ft.....	\$3.00	8 to 10 ft. (1¼ in.)	\$5.00
10 to 12 ft., 1½ to 2 in. diam.....			8.00

Larger Purple-Leaved Maples priced on request.

Maple, Silver (*Acer dasycarpum*). 60 ft. Foliage light green, silvery beneath. Rapid growing. Succeeds anywhere.

6 to 8 ft.....	\$1.00	8 to 10 ft.....	\$1.50
10 to 12 ft.....	2.50	2 to 2½ in. diam.	4.00

Larger Silver Maples priced on request.

Maple, Sugar (*Acer saccharum*). 70 ft. A symmetrical tree of great beauty. Hardy native. Deeply lobed, dark green leaves. Brilliant fall colors. Fine for streets, lawns and parks.

6 to 8 ft.....	\$2.25	8 to 10 ft.....	\$3.00
10 to 12 ft.....	4.50	2 to 2½ in. diam.	6.75

Maple, Tatarian (*Acer tataricum* Ginnala). 15 ft. A splendid lawn ornamental. Beautiful red fall color.

2 to 3 ft.....	\$0.75	3 to 4 ft.....	\$1.00
4 to 5 ft.....			1.25

BECHTEL'S DOUBLE FLOWERING CRAB
Beautiful rose-like flowers in Springtime.

POPLARS

POPLAR, Bolleana (*Populus bolleana*). 40 ft. Upright, columnar growth. Glossy, green leaves with downy white undersides. Makes a strong vertical accent, striking in appearance. Each

6 to 8 ft.....	\$1.50	8 to 10 ft.....	\$2.00
10 to 12 ft.....	3.00	2 to 2½ in. diam.	4.00
2½ to 3 in. diam.....			5.00

Larger Bolleana Poplars priced on request.

Poplar, Carolina—Norway Variety (*Populus eugenei*). 60 ft. Quick growth. Dense foliage. Grows anywhere.

6 to 8 ft.....	\$1.00	8 to 10 ft.....	\$1.25
10 to 12 ft.....			2.00

Poplar, Lombardy (*Populus fastigiata*). 40 ft. Erect and pyramidal in form. Planted for landscape effect, as an accent or for screening purposes. Grows quickly.

6 to 8 ft.....	\$1.00	8 to 10 ft.....	\$1.50
10 to 12 ft.....			2.25

WALNUT, Black (*Juglans nigra*). A native nut bearing tree.

6 to 8 ft.....	\$2.00
----------------	--------

WILLOWS

WILLOW, Golden (*Salix vitellina aurea*). 35 ft. Rapidly growing with branches of rich golden yellow. Very hardy.

6 to 8 ft.....	\$1.00	8 to 10 ft.....	\$1.50
----------------	--------	-----------------	--------

Willow, Laurelleaf (*Salix pentandra*). 30 ft. Glossy green leaves. Grows rapidly.

6 to 8 ft.....	\$1.00	8 to 10 ft.....	\$1.50
----------------	--------	-----------------	--------

Willow, Niobe Weeping. 30 ft. Golden bark and graceful weeping branches that sweep the ground. Much used as a lawn specimen.

6 to 8 ft.....	\$1.50	8 to 10 ft.....	\$2.00
----------------	--------	-----------------	--------

Willow, Wisconsin Weeping. 30 ft. The hardiest of the weeping willows. Very desirable for a quick growing, ornamental lawn specimen. Dark colored bark.

6 to 8 ft.....	\$1.50	8 to 10 ft.....	\$2.00
----------------	--------	-----------------	--------

You will enjoy the color and beauty of the hardy flowers when planted along your walk or in the foreground of the shrubbery border.

Flowering Perennials

The Hardy Garden Flowers

PERENNIALS are delightful when arranged in borders with an assortment of varieties so that some are always in bloom. For new beds prepare the soil by spading and raking and dig in fertilizer—5 lbs. of "LOMA" plant food to each 100 sq. ft. of area is excellent. A location away from tree roots and dense shade is best.

***ROCK GARDEN PLANTS.** Varieties marked with a star (*) are adapted to rockeries.

NEW PRICES FOR PERENNIALS

Strong, field grown plants
30 cts. each; 4 for \$1.00.

and

Extra size, 40 cts. each; 3 for \$1.00
(unless otherwise noted)

Hardy Orange Lily (*elegans*)

Coreopsis blooms all summer

Platycodon or Balloon Flower

Climbing Vines

For Shade and for Beauty

Climbing vines fill an important place in the plantings about every home. A few vines on the house or porch will quickly relieve the bareness of the building with foliage and flowers. Use vines to cover frames and lattice work or to protect and clothe a bank or slope.

BITTERSWEET (*Celastrus Scandens*)

A hardy, native climber with handsome glossy leaves and clusters of orange-red berries in the fall. Useful for trellises and arbors.

Strong 2 yr.....\$0.50 Extra size.....\$0.75

BOSTON IVY (*Ampelopsis Veitchi*)

Very desirable small-leaved Ivy that clings to walls closely. Not entirely hardy in Minnesota so plant in a protected place.

Strong 2-yr.....\$0.60 Extra size.....\$1.00

CLEMATIS OF SPECIAL QUALITY

Our Clematis vines are strong 2 and 3 year stock that are growing in pots when you get them.

CLEMATIS *Coccinea*. SCARLET CLEMATIS.

Named for its bell-shaped, closed flowers of coral red. Useful for running over rockwork or for a small trellis.

Strong potted plants\$1.00

Clematis *Jackmani*. PURPLE CLEMATIS. The most popular of the large-flowering Climatis. Gorgeous flowers of velvety, violet-purple. Grows well on a trellis.

Strong potted plants\$1.25

Clematis *Paniculata*. SWEET AUTUMN CLEMATIS.

A dependable flowering vine for fence or lattice. In late summer it is covered with great sheets of fragrant white, starry flowers.

Strong potted plants\$0.75

DUTCHMAN'S PIPE (*Aristolochia Siphon*)

The heavy, heart-shaped, close-growing leaves make this vine unexcelled for creating shade and screens.

Strong 2 yr.....\$1.00 Extra size.....\$1.25

ENGELMAN'S IVY (*Ampelopsis Engelmanni*)

This is the only Ivy that is absolutely hardy in Minnesota. It will cling without support to brick, stone or plaster. The fall coloration is bright scarlet.

Strong 2 yr.....\$0.50 Extra size.....\$0.75

The large purple flowers of the Jackmani Clematis

GRAPE, BETA

A hardy, rapidly-growing fruiting vine that makes a handsome, effective covering on pergolas, arbors and fences.

Strong 2 yr.....\$0.40 Extra size.....\$0.75

HONEYSUCKLE, SCARLET TRUMPET

(*Lonicera Sempervirens*)

An interesting twiner with smooth, grayish-green leaves. The abundant bright scarlet flowers are trumpet shaped.

Strong 2 yr.....\$0.50 Extra size.....\$0.75

MATRIMONY VINE (*Lycium Chinense*)

Excellent for a trailer on slopes and pleasing on house lattices. Bright purple flowers followed by large, red berries.

Strong 2 yr.....\$0.50 Extra size.....\$0.75

VIRGINIA CREEPER (*Ampelopsis Quinquefolia*)

Our popular native vine that is so useful for growing over posts, arbors, pergolas and fences. The fall color is a beautiful crimson.

Strong 2 yr.....\$0.50 Extra size.....\$0.75

A Rockery will add new interest to your yard

Build and Plant A Rock Garden

Enjoy this new gardening Adventure

A rock garden is simple to construct, can be built in a small space and made to look well when even on level ground. Be sure to provide a background of foliage and use the right sort of plants in the rockery itself.

Hedges

For Ornament and Protection

A HEDGE makes an ornamental wall-of-green. It will protect your property and give you privacy yet has none of the objections of a fence.

Year by year your hedge will grow to greater usefulness and beauty.

Buckthorn makes a close wall of green

MEDIUM TO TALL HEDGES

BUCKTHORN. For years a dependable popular hedge that makes a dense impenetrable growth. Space plants 12 ins. apart.

Per 10 Per 100

2 to 3 ft. size.....	\$2.50	\$18.00
3 to 4 ft. size.....	3.00	24.00

COTONEASTER. Dark green, glossy leaves makes this particularly ornamental. Develops a close growth. Space plants 12 ins. apart.

Per 10 Per 100

2 to 3 ft. size.....	\$3.50	\$22.00
3 to 4 ft. size.....	4.00	27.00

HONEYSUCKLE. Adapted for a tall hedge. Keep trimmed or not as desired. Grows rapidly. Space plants 18 ins. apart.

2 to 3 ft. size.....	\$3.50	\$30.00
----------------------	--------	---------

RUGOSA ROSE. A pleasing and unusual open hedge with handsome foliage and bright rose flowers. Space plants 18 ins. apart.

Strong bushy plants.....	\$3.50	\$30.00
--------------------------	--------	---------

BRIDAL WREATH. A graceful flowering hedge that always pleases. Space plants 18 ins. apart.

Strong 2 to 3 ft. size.....	\$3.00	\$25.00
-----------------------------	--------	---------

FOR LOW HEDGES

JAPANESE BARBERRY. This makes a very neat, low boundary. Can be trimmed or grown naturally. The small leaves, turning red in the fall, and the bright red berries are very ornamental. Space the plants 12 ins. apart.

Per 10 Per 100

12 to 18 in. size.....	\$2.00	\$18.00
18 to 24 in. size.....	3.00	24.00

ALPINE CURRANT. A dense, low-growing, very sturdy hedge. Stands any amount of trimming and grows well even in shade. Space plants 12 ins. apart.

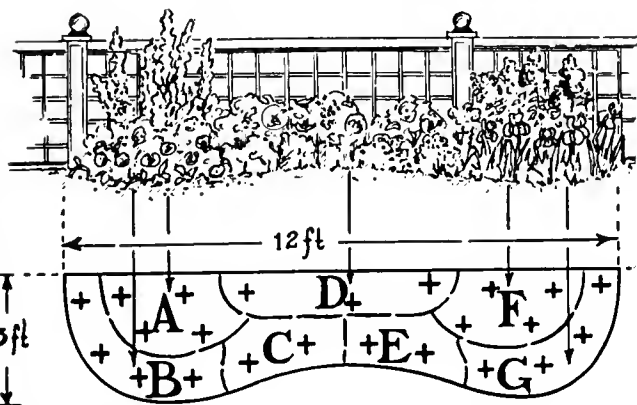

12 to 15 in. size.....	\$3.50	\$25.00
15 to 18 in. size.....	5.00	40.00

You will get immediate results with our specially-grown, branched and bushy hedge plants. Full planting directions will be given to help you.

We will suggest a suitable hedge to suit your needs. Consult us.

Paul Neyron. Beautiful deep rose.
Prince Camille de Rohan. Very dark red.
Ulrich Brunner. Cherry crimson.

SUGGESTIONS FOR ROSE CULTURE

TIME TO PLANT—Spring planting is the safest in this section. Our potted plants can be planted as soon as danger of heavy frost is past, about May 15, and from then on throughout the entire summer. Your orders will be delivered at the best planting time.

MULCH WITH PEAT—Covering the ground around your roses with 1/2 inch of pulverized peat encourages stronger plant growth and better flowers. (See page 24 for prices on special prepared peat.)

VISIT OUR DISPLAY GARDENS, ROCKERY AND POOL AT 1200 ST. CLAIR ST.

Climbing Roses

BABY RAMBLER ROSES

(Dwarf Polyantha)

The Baby Ramblers are small size bushes; very popular for use about the home yard wherever a plant of dwarf size and heavy flowering is wanted.

The roses are borne in thick clusters and are in bloom continuously throughout the summer.

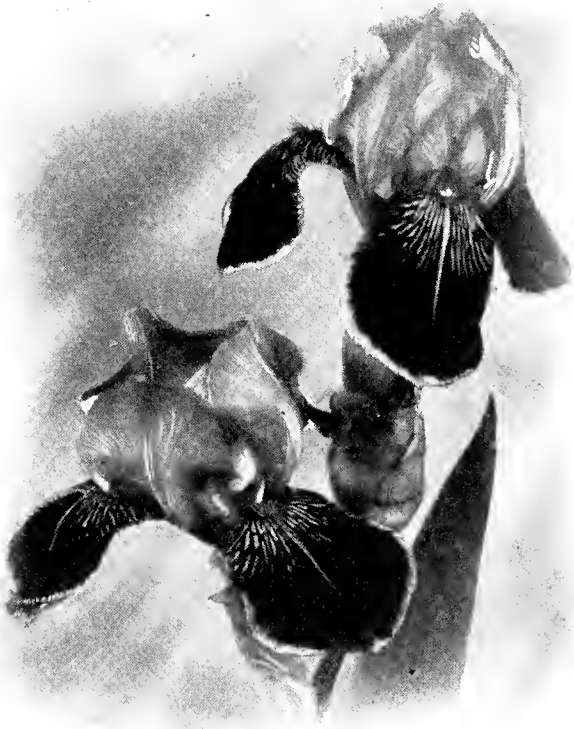

- Pink Baby Rambler.** (Ellen Poulson). Clusters of deep, brilliant pink. Quite fragrant. Potted plants, \$1.00 each.
Red Baby Rambler. (Miss Edith Cavell). Heavy open clusters of crimson-scarlet roses. Potted plants, \$1.00 each.

Colorful Iris

“The Hardy Orchids of the Garden”

IRIS are very hardy and dependable perennials. You are sure to have an abundance of flowers from them every year.

The varieties listed are careful selections of the more popular kinds. Orders are filled with strong, plump roots that are sure to please you.

Hardy Iris. Colorful in the garden—excellent for cutting

How to Plant—Place the roots just deep enough to be covered with soil and avoid any fresh manures as a fertilizer. Iris prefers a sunny location.

SPECIAL PRICES FOR QUANTITY

5 or more of a variety are supplied at 5 cts. less per plant; Example—plants priced at 25 cts. each are 5 for \$1.00.

NOTE: In the description “S” or “Standards” refers to the three upright petals. The letter “F” or “Falls” refers to the three drooping or lower petals.

Price—Strong Roots, 25 cts. each; \$2.00 per dozen.

How to Fertilize Your Trees

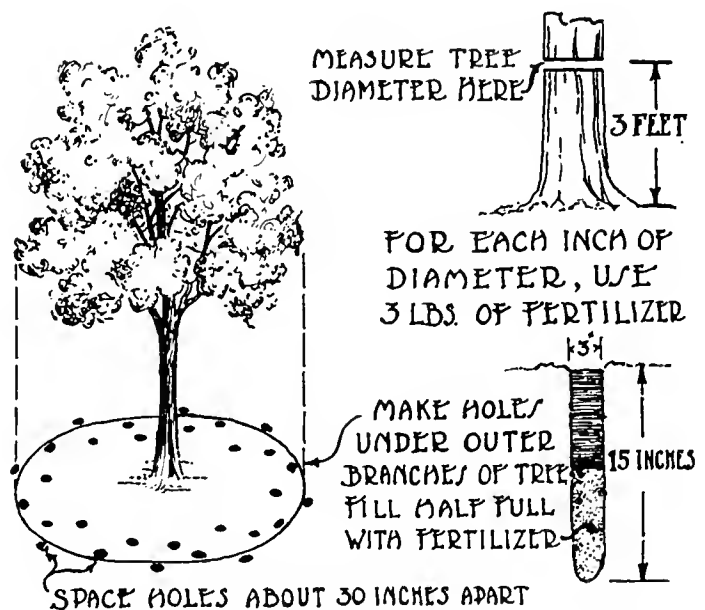

FEED YOUR TREES

Keep your fine, old established trees in healthy growth and preserve their beauty by proper fertilizing.

The diagram shows how much plant food to use and how to apply it.

You will have good results with "LOMA"—the perfect fertilizer. It is economical and efficient.

See page 24 for fertilizer prices.

For a Better Lawn

USE H. & O. "HIGH-TEST" GRASS SEED

Good lawns logically follow the use of clean, pure grass seed. All the labor and expense of making a lawn is wasted when unclean, low-grade seed is sown.

H. & O. High-Test Seed is dependably good—the result of years of experience in actual lawn making. There is no timothy or other cheap annual grasses in H. & O. seed mixtures. The ingredients are the best obtainable.

Amount to Sow. Use 1 lb. to every 200 sq. ft. of ground area.

Send for "HOW TO MAKE A LAWN"

This helpful booklet is mailed on request. Your inquiries as to lawn making, fertilizers and golf course construction are invited.

PARCEL POSTAGE. Add 6 cts. per lb. to prices if seed is wanted by parcel post.

VELVET-SOD SEED

A modern, high-grade mixture of the best hardy grasses that will make a beautiful and lasting lawn. Its weight, over 27 lbs. per bu., indicates its purity. Velvet-Sod contains creeping bent seed.

Lb., 35 cts.; 5 lbs., \$1.65; 10 lbs., \$3.20; 20 lbs., \$6.00

SHADY-SIDE SEED

This seed will produce sod under trees and in shaded places where ordinary grasses do not thrive.

Lb., 40 cts.; 5 lbs., \$1.85; 10 lbs., \$3.50; 20 lbs., \$6.50

TERRACE SEED

A special mixture of spreading, deep-rooting grass for poor soils, terraces and slopes.

Lb., 40 cts.; 5 lbs., \$1.85; 10 lbs., \$3.50; 20 lbs., \$6.50

WHITE CLOVER

The best Dutch white clover. Popular for lawns because of its small leaves and close growth. Helps to establish sod on new lawns.

½ lb., 35 cts.; 1 lb., 60 cts.; 5 lbs., \$2.75;
10 lbs., \$5.00.

RED TOP GRASS

A fine-leaved, quick-growing but temporary grass.

Lb., 25 cts.; 5 lbs., \$1.15; 10 lbs., \$2.00; 20 lbs., \$3.70

KENTUCKY BLUE GRASS

A beautiful grass that should be the main constituent of every good lawn. Our seed is a select, re-cleaned grade with the average weight of 21 lbs. per bushel.

Lb., 30 cts.; 5 lbs., \$1.35; 10 lbs., \$2.50; 20 lbs., \$4.50

CREeping BENT GRASS

Seaside Bent. Produces a thick, close-growing turf for lawns or golf greens.

Lb., 80 cts.; 5 lbs., \$3.85; 10 lbs., \$7.50;
20 lbs., \$14.00.

SELECTED PEAT MOSS

A Humus to Improve Soils
Benefits both Sandy and Clay Soils

A wonderful top-dressing for lawns and a splendid mulch to work around trees, evergreens, roses and shrubs.

Price—per bag (about 3 bu.), 75 cts.
3 bags, \$2.00

(1 bag covers 50 sq. ft. to depth of 1 inch.)

Sow "Velvet-Sod"—the best grass seed.

Fertilizers

For Your Lawn and Garden

NOTE—ALWAYS WATER THE LAWN THOROUGHLY AND IMMEDIATELY AFTER SPREADING FERTILIZERS

BONE MEAL. Finely-ground meal of animal bone that contains valuable phosphoric acid plant food. A safe and splendid fertilizer for roses, perennials and all the garden plants.

10 lbs., 65 cts.; 25 lbs., \$1.10; 50 lbs., \$1.75;
100 lbs., \$3.00.

SHEEP MANURE (Pulverized). A natural manure in general use about the lawn and garden. For lawns use 40 lbs. per 1,000 sq. ft., and wet down.

10 lbs., 60 cts.; 25 lbs., \$1.00; 50 lbs., \$1.60;
100 lbs., \$2.50.

SULPHATE OF AMMONIA. A quick-acting plant growth stimulant; high nitrogen content. For lawns apply in a solution at the rate of 5 lbs. per 1,000 sq. ft. Water down.

10 lbs., \$1.00; 25 lbs., \$1.50; 50 lbs., \$2.25;
100 lbs., \$4.00.

VIGORO. A prepared plant food for lawns, vegetable and flower gardens. Directions on package. Allow 40 lbs. per 1,000 sq. ft. for lawns.

25 lbs., \$1.50; 50 lbs., \$2.50; 100 lbs., \$4.00
